Education Heightening Awareness

- Coaches are developing a visitor education flyers
- Place flyer in admission packets and display
- Hand Hygiene surveillance
- Gently remind people to take proper precautions
- Staff meetings on each unit
- **EDUCATE EVERYONE:**
 - Employees, patients, families, visitors
- **EDUCATE! EDUCATE ! EDUCATE!**

Evaluation

- Hand Hygiene Compliance numbers
- Evaluation of the environment
- Need to develop a tool to monitor

Working Together

Thanks to all the “Coaches” who endured the bad weather on the day of their training.
Thanks to the cooperation of the managers on All four units, they were able to go.
Thanks to 1199 and GNYHA for sponsoring this Program.

Cooperation of all involved made this a worthwhile Experience for all our coaches .
