

QCC  
and  
Care Transitions

# Policy Changes Fostering Improved Care Transitions

- Patient Protection and Affordable Care Act (ACA)
  - Better quality
  - More efficiency
- Value-based purchasing
  - Nursing home demo: preventable hospitalizations
- Readmissions penalty for hospitals
- Post-acute care bundling demonstration
- Center for Medicare and Medicaid Innovations
- Support for Health Information Technology Adoption
  - Meaningful use, interoperability, and care transitions

**INTERACT NY**

**Interventions to Reduce Preventable Acute Care Transfers**
