PROGRAM AND LEARNING OBJECTIVES

Program Moderator:

Jessica Feldman MS, LMHC, CPRP

Project Director at The Center for Practice Innovations at Columbia Psychiatry

8:45am LOG-ON TIME

9:20am **Welcome and Introductory Remarks**

9:30am **“Overview of COVID-19: Impact on Children and Adolescents”**: Ali M. Gheith, MS, CEM, MEP, ISO

Learning Objectives: Upon completion, participants will be able to:

1. Understand mental health issue in the United States;
2. Identify normal and abnormal stress reactions to disasters;
3. Explain the stresses healthcare workers have faced during the COVID-19 pandemic;
4. Describe the stresses parents and caregivers have experienced during the pandemic; and
5. Discuss how to help and care for the needs of parents and healthcare workers that have resulted from the pandemic.

10:30am **“COVID-19: BioEnvironmental Implications for Children and Adolescents with Special Needs”**: Na’cara Harrison, MPH

Learning Objectives: Upon completion, participants will be able to:

1. Describe potential challenges during the COVID-19 pandemic for families with children with special needs;
2. Explain how environmental stressors, such as the pandemic, impact specific health biomarkers; and
3. Discuss possible solutions to pandemic-related stressors for families, caregivers and community members.

11:30am **“Post COVID-19 Vaccine: Pharmacological Management of Anxiety and Depression in Pediatrics”**: Annahit Daglyan, PharmD, BCPP

Learning Objectives: Upon completion, participants will be able to:

1. Explain the benefits and risks of the COVID-19 vaccine for children and adolescents;
2. Understand the stresses associated with returning to school after quarantine and home schooling;
3. Learn about the pharmacological management of anxiety and depression in children and adolescents; and
4. Explain the risks and benefits of medication management for anxiety and depression in children and adolescents.

12:30pm Lunch Break

1:30pm **“It’s Not Just the Pandemic: Examining Mental Health Stressors from a Life Course Approach—**

Past, Present and Generational Impacts”: Michelle Yeboah, DrPH and Nana Yaw Adu-Sarkodie, MD, MPH

Learning Objectives: Upon completion, participants will be able to:

1. Describe the mental health challenges faced by children, adolescents and, ultimately, adults;
2. Explain how the COVID-19 pandemic has affected and exacerbated mental health issues in these populations; and
3. Identify and discuss practical solutions for parents, professionals and other stakeholders to address these issues.

2:30pm **“Nutritional Implications of COVID on Adolescents”**: Marlisa Brown MS, RD, CDE, CDN

Learning Objectives: Upon completion, participants will be able to:

1. Explain how COVID-19 has changed adolescents’ nutrient intake;
2. Identify nutritional difficulties faced during remote learning compared to the “new normal” summer; and
3. List ways to incorporate healthier options into adolescents’ lives.

3:30pm **“The Effects of Social Isolation and Social Distancing on Children”**: Shanequa E. Moore, LMSW

Learning Objectives: Upon completion, participants will be able to:

1. Understand the social factors influencing children’s social well-being during the COVID-19 pandemic;
2. Describe the effects of social unrest and racism on children’s mental health; and
3. Learn community-based models and interventions to aid children’s recovery from COVID-19.

4:30pm Participants Submit Online Evaluations

ACCREDITATION

CASACs

An application has been submitted to the New York State Office of Alcoholism and Substance Abuse Services for six (6) clock hours.

Clinical Laboratory Practitioners

This continuing medical laboratory education activity is recognized by the American Society for Clinical Pathology (ASCP) for six (6) CMLE credits. ASCP CMLE credits are acceptable for the ASCP Board of Registry Certification Maintenance Program.

Dietitians/Dietetic Technicians

This course is approved by the Commission for Dietetic Registration (CDR) for six (6) continuing education units.

Imaging Technologists

An application has been submitted to the American Society of Radiologic Technologists (ASRT) for Category A continuing education credits. The American Registry for Diagnostic Medical Sonography (ARDMS) accepts ASRT Category A credits.

LPNs/RNs/Nurse Practitioners

This course is approved by the California Board of Registered Nursing for six (6) continuing education credits.

Medical Records Coders

An application has been submitted to the American Health Information Management Association (AHIMA) for six (6) continuing education credits.

Occupational Therapists/Occupational Therapy Assistants

An application has been submitted to the New York State Occupational Therapy Association, Inc. (NYSOTA) for contact hours (NY licensees only).

Paramedics/EMTs

An application has been submitted to the Regional Emergency Medical Services Council of New York City for EMS CME credits.

Pharmacists and Pharmacy Technicians

The New York State Council of Health-system Pharmacists (NYSCHP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

Module A (AM): This course, 0134-0000-21-110-L01-P; 0134-0000-21-110-L01-T, is approved for 0.3 CEUs (3 contact hours).

Module B (PM): This course, 0134-0000-21-111-L01-P; 0134-0000-21-111-L01-T, is approved for 0.3 CEUs (3 contact hours).

Statements of Continuing Pharmacy Education Credit are available to participants upon the conclusion of the program through survey links. Participants have 45 days from date of program to claim credits and must verify attendance at the meeting by entering the program CE code.

Physical Therapists/Physical Therapy Assistants

An application has been submitted to the New York Physical Therapy Association (NYPTA) for contact hours (NY licensees only).

Physician Assistants

An application has been submitted to the Physician Assistant Review Panel for AAPA Category 1 CME credits

Respiratory Therapists

An application has been submitted to the American Association for Respiratory Care (AARC) for six and one half (6.5) continuing education credits.

Social Workers

The 1199SEIU League Training and Upgrading Fund SW CPE is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers under provider #0286. Licensed NYS Social Workers are required to provide a NYS license number to receive a certificate of credit. This course is approved for six (6) continuing education hours.

**All other healthcare professionals: You will receive certificates of attendance.
Please check with your accrediting board with respect to receiving credit for this program.
Email Institute@1199funds.org for accreditation updates.**
