

# NEUROLOGICAL DISEASES: ASSESSMENT, MANAGEMENT, AND EMERGING ADVANCES (ALZHEIMERS & DEMENTIA)

A Six-Hour Interprofessional Symposium for Healthcare Workers

**REGISTER**

<https://bit.ly/4u77iTY>

This six-hour symposium explores neurological disorders, highlighting advances in diagnosis, treatment, and whole-person care across settings.

Dr. Lawrence Honig will review advances in neurological assessment and early diagnosis. Dr. Olajide Williams will explore evidence-based management of acute neurological conditions. Dr. Yian Gu will examine Alzheimer's prevention, including lifestyle factors and risk reduction. Dr. Carmela Avena-Woods will discuss pharmacological management, focusing on safety and optimization. Dr. Janet Kolmer Grommet will highlight the role of nutrition in brain health and recovery. Dante Tipiani will conclude with psychosocial support strategies and care navigation for patients and caregivers.
